## Professional Summary

I am proficient in several programming languages, including Java and Python. I have hands-on experience with web development technologies such as HTML, CSS, and JavaScript.

## Education

- **Galgotias university**                                                              2021-2025

Galgotias university
  B.Tech. (CSE)
  8.5   CGPA

- **CBSE**                                                                                        2021
  Intermediate

## Internship

- Virtual Internship
  AICTE
  07/2022 – 10/2022 ½
  - The All-India Council for Technical Education (AICTE) offers virtual internships in various fields, including cybersecurity, through their internship portal.

**Project**

- **Image to Text Converter using Python (OCR)**
  Creating an Image to Text Converter using Python involves implementing Optical Character Recognition (OCR) to extract text from images. This project can be built using the Tesseract OCR engine along with Python libraries such as pytesseract, Pillow, and OpenCV.
- **Classification of Algorithms using Python (ML)**
  Creating a project for the classification of algorithms using Python and Machine Learning involves developing a system that can categorize different types of data into predefined classes.

## Skills

- Technical Skills Languages: Java, C++, C, Python, JavaScript, HTML, CSS Tools: Git, Github, CLI IDEs: IntelliJ IDEA, Visual Studio, VScode Others: Unity, Arduino, MATLAB, LaTeX, SQL
- Personal skills Soft Skills: Teamwork, Social Awareness, Adaptability

## Certification

- Data Analytics by AWS Academy (AICTE),
- Cyber Security by Palo Alto Networks (AICTE)
- Red Hat System Administration I (RH124)
- Cloud Foundation By AWS Academy (AICTE)

## Achievements & Awards

- As a front-end developer, one of my notable achievements includes leading the redesign of a major e-commerce platform, resulting in a 30% increase in user engagement and a 20% boost in conversion rates. I successfully implemented a responsive design, ensuring optimal performance across various devices.
